2. The benefits referred to in par. 1 may be awarded to a student who meets the conditions specified in the Law on Higher Education and Science and in these Regulations.
3. SUM students may apply for accommodation in the Student Dormitory at the Medical University of Silesia in Katowice under the rules laid down in chapter IV of these Regulations.

§3

1. The benefit referred to in § 2 paragraph 1 shall be granted from the fund referred to in Article 409 par. 1 item 1 of the Higher Education and Science Act.
2. The Rector, in consultation with the Students' Self Government, shall distribute the grants from the funds referred to in Article 365, item 3 of the Higher Education and Science Act, including:
 - 1) distribution of the scholarship fund,
 - 2) determination of the amount of monthly income per person in the student's family authorizing the student to apply for a maintenance grant and increased maintenance grant,
 - 3) setting the limits of income groups qualifying for the award of a maintenance grant, an increased maintenance grant in a specified amount,
 - 4) setting the amount of the grant for each degree of disability,
 - 5) determining the amount of the Rector's scholarship,
 - 6) determining the amount of the cash assistance grant.
3. The funds referred to in par. 2 item 1 allocated for the Rector's scholarships shall account for no more than 60% of the funds allocated jointly to the Rector's scholarships, maintenance grants and assistance grants.
4. The total monthly amount of the maintenance grant and the Rector's scholarship cannot be higher than 38% of the professor's remuneration within the meaning of the Higher Education and Science Act.
5. The amount of the benefits referred to in § 2 par. 1 shall be determined by a separate Order of the Rector.
6. The funds from the scholarship fund not used in a given budget year shall remain in the fund for the following year.

§4

1. The benefits referred to in § 2 par. 1 shall be granted by the Rector, subject to par. 2.
2. At the request of the Council of the Students' Self Government, the benefits referred to in §2 par. 1 shall be granted by the USC and ASC.
3. The application referred to in paragraph 2 should be submitted to the Rector by August 31 of a given year.
4. The members of the USC and ASC shall be appointed by the Rector from among students delegated by the Students' Self Government and employees of the University, with students constituting the majority of the composition of the committees. The composition of the USC and ASC shall be determined by a separate Order of the Rector.
5. The term of office of USC and ASC shall be one academic year.
6. Decisions of USC and ASC shall be taken by a simple majority in an open vote, with the presence

of at least half of the members. In the event of a tie, the vote of the President of USC and ASC shall be decisive.

7. Minutes of the meetings of USC and ASC shall be taken. The minutes shall be signed by the President of the Committee or a Vice-President of the USC and ASC authorized by the President.
8. Administrative support for the USC and ASC shall be provided by the Recruitment and Benefits Department.

§5

1. The benefits referred to in § 2 section 1 points 1-4 are granted for first-cycle studies, second-cycle studies and uniform master's studies.
2. The total duration for which these benefits are granted is 12 semesters, regardless of whether the student actually receives them, provided that during this period, the benefits apply as follows:
 - 1) for first-cycle studies - up to 9 semesters,
 - 2) for second-cycle studies - up to 7 semesters.
3. The period specified in point 2 is extended by two semesters if the student undertakes a long-cycle master's degree program lasting 11 or 12 semesters as defined by law.
4. The period referred to in paragraphs 2 and 3 includes all semesters of studies commenced by the student, including semesters falling during the period of leave of absence, referred to in art. 85 paragraph 1 item 3 of the Law on Higher Education and Science, with the exception of semesters of subsequent first-cycle studies commenced or continued after obtaining the first professional title of bachelor, engineer or equivalent. In the case of education in several fields of study, semesters taken simultaneously are treated as one semester.
5. The benefits referred to in § 2 paragraph 1 points 1-3 are granted for an academic year, except for the case when the study program for a given field of study, according to the plan, lasts one semester or when the benefit cannot be granted for an academic year due to the expiry of the total period for which the benefits referred to in paragraph 2 - 3.
6. The benefits referred to in § 2 paragraphs 1-3 are paid in a given academic year for a period of up to 9 months, and in the event that the study program for a given field, according to the plan, lasts one semester - for a period of up to 5 months.
7. The benefit referred to in § 2 paragraph 1 point 2 is granted for the period of issuance of a decision by the relevant body on the degree of disability, subject to paragraph 5.
8. If the disability arose during studies or after obtaining a professional title, the benefit referred to in § 2 paragraph 1 item 2 is due for an additional period of 12 semesters. The provisions of paragraph 2 and 4 shall apply accordingly.
9. The benefits referred to in § 2 paragraph 1 points 1-3 are paid monthly, with the first benefit in a given academic year, for October, being paid no later than the last day of November, unless circumstances occur that prevent the benefit from being paid within that period.
10. The benefit referred to in § 2, par. 1, item 4 shall be paid as a one-time payment.
11. The benefits referred to in § 2, par. 1 shall not be available to a student with a professional degree of:
 - 1) Master, Master of Engineering or equivalent degree,
 - 2) Bachelor, engineer, or equivalent degree if the student takes again the first-cycle degree program.
12. The provisions referred to in paragraphs 1-10 shall apply accordingly to a student who has studied or obtained a degree abroad.
13. The student may receive all the benefits listed in the § 2, par. 1.
14. A student studying several fields of study at the same time may receive a social scholarship, a scholarship for disabled persons, the Rector's scholarship, or financial assistance only for one field of study indicated by him/her.
15. A student applying for the benefits referred to in § 2 par. 1 is required to submit a declaration of the total period of study together with the application. The declaration template is attached as Annex 8 to the Regulations.

Chapter II

Application and processing procedure

§6

1. The benefits referred to in § 2, par. 1, items 1-4 shall be granted at the request of the student.
2. The award and refusal of a benefit shall be made by an administrative decision.
3. A request for reconsideration of the Rector's decision may be made within 14 days from the date of receipt of the decision.
4. The student may appeal the USC decision to the ASC within 14 days of receiving the decision.
5. The Rector, by means of an administrative decision, shall revoke a decision of USC or ASC which is contrary to the provisions of law.

§7

The decision to grant the benefit referred to in § 2 par. 1- shall expire on the last day of the month in which:

- a) the student lost the right to the benefit because of the award of the degree referred to in Art. 93, par. 3 and 8 of the Higher Education and Science Act, or
- b) was deleted from the list of students in the main field of study in which the student received the benefit, or
- c) if the period referred to in Art. 93, par. 4, 5 and 7 of the Higher Education and Science Act expired.

§8

1. Application for benefits referred to in § 2, par. 1, items 1, 2 and 4 should be completed in the electronic Dean's Office system, printed, signed and delivered to the Recruitment and Benefits Department in paper form along with the required documents.
2. Application for the benefit referred to in § 2, par. 1, item 3 should be completed in the electronic dean's office system, printed, signed and submitted to the appropriate Faculty Dean's Office together with documents confirming the achievements obtained, by October 6, in paper form.
3. Applications submitted after the deadline specified in paragraph 2 will not be considered.
4. A person admitted to the first year of studies at SUM may submit an application for a benefit in paper form without prior registration in the electronic dean's office system.
5. Applications for a maintenance grant, together with the documents referred to in § 13 par. 1 shall be submitted by 15 September, with the proviso that the first-year students shall submit their applications by 6 October.
6. An application for a grant for the disabled, together with the document referred to in § 15 par. 2 shall be submitted by 15 September, with the proviso that the first-year students shall submit their applications by 6 October.
7. When submitting the application and the documents referred to in these Regulations, the student makes a declaration regarding their veracity.
8. The documents required in the procedure for the award of the benefits referred to in § 2 par. 1, items 1 - 4 drawn up in a foreign language shall be submitted by a student together with their translation into Polish by a sworn translator.
9. It is the responsibility of the student to submit the application on time and to correctly complete the documents necessary to apply for the benefits.
10. If any deficiencies in the submitted documentation, clerical or accounting errors in a submitted application for the benefits referred to in § 2 par. 1 are found, an employee of the Recruitment and Benefits Department shall inform the student in person, by telephone, by e-mail of the need to provide documents necessary to establish the right to the benefit and makes a note in the

application form of these activities.

11. If the USC/ASC/Rector finds any deficiencies in the application for the benefits referred to in § 2 par. 1, the USC/ASC/Rector shall ask the student to supplement the application within a period of not shorter than 7 days from the date of receiving the request.

Chapter III

Criteria for the award of benefits

Maintenance grants

§9

The amount of monthly income per person in a student's family that entitles a student to apply for a maintenance grant and the amount of scholarships are determined by the Rector in consultation with the student government by means of an ordinance, provided that the amount of monthly income per person in a student's family that entitles a student to apply for a maintenance grant does not exceed 45% of the minimum wage established from 1 January of the year preceding the academic year for which the maintenance grant is awarded, based on the Act of October 10, 2002 on Minimum Wage.

§10

1. A maintenance grant may be awarded to a student in a difficult financial situation.
2. A specimen application for a maintenance grant is attached as Attachment no. 1 to the Regulations.
3. The amount of the maintenance grant awarded to a student depends on the amount of monthly income per member of the student's family,
4. Family income is the sum of the income of family members, understood as the average monthly income of a family member in the calendar year preceding the academic year for which the application is submitted, subject to the provisions on income lost and income earned.
5. In the event of loss or gain of income, the right to a grant shall be determined at the request of the student on the basis of family income reduced by the lost income, or increased by the earned income.
6. Loss of income is understood to be the loss of income caused by:
 - 1) the acquisition of the right to parental leave,
 - 2) loss of employment or other gainful activity,
 - 3) loss of entitlement to unemployment benefits or grants,
 - 4) loss of pre-retirement allowance or pre-retirement benefit, teacher's compensatory benefit, retirement or disability pension, family pension or social pension, or parental supplementary benefit referred to in the Act of 31 January, 2019 on parental supplementary benefit, or cash benefit granted under the terms specified in the Act of 8 February, 2023 on cash benefits due to family members of officers or professional soldiers whose death occurred in connection with service or undertaking activities outside the service to save human life or health or property,
 - 5) deletion from the register of non-agricultural business activities or suspension of their performance within the meaning of Article 16b of the Act of 20 December, 1990 on social insurance for farmers or Article 36aa section 1 of the Act of 13 October, 1998 on the social insurance system,
 - 6) loss of sickness benefit, rehabilitation benefit or maternity benefit due after the loss of employment or other gainful activity,
 - 7) loss of maintenance benefits awarded because of the death of the person obliged to provide the benefits or loss of cash benefits paid in the event of ineffective enforcement of maintenance money because of the death of the person obliged to provide maintenance money,
 - 8) loss of parental benefit,

- 9) loss of the maternity allowance referred to in the provisions on social insurance of farmers,
- 10) loss of a doctoral scholarship as defined in separate regulations;
7. Gain of income is understood to be the gain of income as a result of:
 - 1) end of the parental leave,
 - 2) obtaining employment or other gainful employment,
 - 3) obtaining the right to unemployment benefits or grants,
 - 4) obtaining a pre-retirement allowance or pre-retirement benefit, teacher's compensatory benefit, retirement or disability pension, family pension or social pension, or a supplementary parental benefit referred to in the Act of 31 January, 2019 on the supplementary parental benefit, or a cash benefit granted under the terms specified in the Act of 8 February, 2023 on cash benefits due to family members of officers or professional soldiers whose death occurred in connection with service or undertaking activities outside the service to save human life, health or property,
 - 5) commencement or resumption of non-agricultural economic activity after a period of suspension within the meaning of Art. 16b of the Act on Social Insurance of Farmers or Art. 36aa par. 1 of the Social Insurance System Act,
 - 6) obtaining sickness benefit, rehabilitation benefit or maternity benefit due after the loss of employment or other gainful employment,
 - 7) obtaining parental benefit;
 - 8) obtaining the maternity benefit referred to in the legislation on social security of farmers,
 - 9) obtaining a doctoral scholarship as specified in separate regulations.
8. In the event of a loss of income by a family member, a student or a child under the care of a legal guardian in the calendar year preceding the period for which the right to a social grant is established or after that year, the lost income is not taken into account when determining their income.
9. In the event that a family member, a student or a child under the care of a legal guardian earned income in the calendar year preceding the period for which the right to a social grant is established, when determining the income of the family member, student or a child under the care of a legal guardian, the income earned in that year is divided by the number of months in which the income was earned, if the income is earned in the period for which the right to a social grant is established or verified.
10. In the event that a family member, a student or a child under the care of a legal guardian earns income after the calendar year preceding the period for which the right to a social grant is established, their income is determined on the basis of the income of the family member, the income of the student or the income of a child under the care of a legal guardian, increased by the amount of income earned for the month following the month in which the income was earned, if this income is earned in the period for which the right to a social grant is established or verified.
11. Pursuant to Article 5 item 4c of the *Act on Family Benefits*, the provisions on the loss and gain of income do not apply to income from employment or other gainful employment and income from deregistration or commencement of non-agricultural economic activity, if a family member, a student or a child under the care of a legal guardian who has lost income from these titles and, within 3 months, counting from the date of the loss of income, has gained income from the same employer or principal or commissioner party or has restarted non-agricultural economic activity.
12. During the academic year a student may reapply for a grant e.g. due to loss of income, change in the number of family members. The scholarship is then awarded from the month following the month in which the income has been lost.

§11

1. When determining the amount of income entitling a student to apply for a maintenance grant, one shall take into account income earned by:
 - 1) the student,
 - 2) the student's spouse,

- 3) the student's parents, legal guardians or actual guardians,
 - 4) minor children maintained by the persons referred to in items 1-3, children in education up to the age of 26, or, and if the age of 26 falls in the final year of the studies, until the completion of their studies, and disabled children regardless of age.
2. A student who does not share a household with any parent, legal guardian or actual guardian, may apply for a maintenance grant without stating the income earned by these persons and their dependent minor children, children in education up to the age of 26, and if the age of 26 falls in the final year of the studies, until the completion of their studies, and disabled children regardless of age, if the student meets one of the following conditions:
- 1) is over the age of 26,
 - 2) remains married,
 - 3) has dependent children referred to in paragraph 1 item 4,
 - 4) has come of age while in foster care,
 - 5) has a permanent source of income and his or her average monthly income in the previous tax year and in the current year in the months preceding the month of submitting the declaration referred to in paragraph 3 is higher than or equal to 40% of the minimum wage established from 1 January of the year preceding the academic year for which the social scholarship is awarded, on the basis of the Act of 10 October 2002 on the minimum wage for work.
3. The student referred to in paragraph 2 shall make a declaration that the student does not run a household with any parent, legal guardian or actual guardian.
4. A specimen declaration referred to in paragraph 3 constitutes Attachment No. 13 to the Regulations.

§12

The monthly income per person in the student's family giving entitlement to a maintenance grant shall be determined according to the rules laid down in the Act on Family Benefits, taking into account §11, with the proviso that the income does not include:

- 1) benefits from financial support for students and doctoral students received under the provisions of the *Higher Education and Science Act*,
- 2) scholarships awarded to pupils, students and doctoral students under:
 - a) European Union Structural Funds,
 - b) non-reimbursable funds originating from assistance provided by Member States,
 - c) international agreements or implementation programs drawn up on the basis of those agreements or international scholarship programs,
- 3) benefits from financial support for pupils received under the provisions on the educational system,
- 4) benefits referred to in article 359 par. 1 and article 420 par. 1 of the *Higher Education and Science Act*,
- 5) grants of a social character awarded by other entities referred to in Article 21 par.1 item 40b of the *Personal Income Tax Act*.

§13

1. A list of documents necessary to calculate a student's income and the rules of the calculation of this income are included in Attachment no 5 to these Regulations.
2. In the event that circumstances affecting the determination of a student's income require the submission of documents other than those specified in Attachment 5 to the Regulations, the Recruitment and Benefits Department may require the student to provide such a document.
3. The Rector, USC or ASC shall refuse to award a maintenance grant to a student whose monthly income per person in the student's family does not exceed the amount referred to in Article 8 par. 1 item 2 of the *Act on Social Welfare*, if the application for a social scholarship is not accompanied by one issued by a social welfare center or by the center social services, a certificate confirming the use of social assistance benefits by him or his family members in the year in which the

application was submitted.

4. In case if the student referred to in par. 3, or members of his family do not use social assistance benefits, the Rector, USC or ASC may award this student a maintenance grant if he has documented the sources of support for his family.

§14

1. In particularly justified cases, a student may be awarded an increased maintenance grant, as long as he meets the conditions necessary to receive a maintenance grant.
2. The benefit referred to in paragraph 1 may be granted in particular in the case of:
 - 1) residence in a student dormitory or in a facility other than a student dormitory if the daily commute from the place of residence to the higher education institution would make it impossible to study or make studying significantly more difficult,
 - 2) a student who is an orphan or has come of age in foster care.
3. A student applying for an increased maintenance grant should attach to the application documents confirming the occurrence of particularly justified circumstances, and a declaration, the specimen of which is attached as Attachment no. 9 to the Regulations.

Grants for the disabled

§15

1. A grant for the disabled may be awarded to a student on account of disability confirmed by a decision of a competent authority.
2. A certificate from a relevant authority on the degree of disability shall be attached by the student to the application for the grant.
3. The amount of the grant referred to in paragraph 1 varies according to the degree of disability.
4. The amount of the grant for each of the degrees of disability referred to par. 2 shall be determined by the Rector by way of an Order.
5. A specimen application for a grant for the disabled constitutes Attachment no. 3 to the Regulations.

Rector's scholarships

§16

1. The Rector's Scholarship is awarded to no more than 10% of students in a given field of study. If the number of students in a field of study is fewer than ten, the Rector's Scholarship may be awarded to one student.
2. If 10% of the number of students in a given field and year of study is a non-integer number, mathematical rounding down to a whole number is used.
3. Students referred to in § 17, par. 3 shall not be included in the determination of the number of students receiving a Rector's scholarship.
4. 100% of the students studying in a given year and field of study are assumed to be all full-time and part-time students as at 15 October of the current year.
5. The total number of students referred to in par. 4 shall be determined on the basis of data drawn up by the Deans' Offices of the Faculties and approved by the Dean of the Faculty.

§17

1. The Rector's scholarship may be awarded to a student who achieved in the previous academic year a grade average of no less than 4.01 or had academic or artistic achievements or sports achievements in a competition at least at the national level.
2. The Rector's scholarship may be applied for by students who fulfil the criteria specified in par. 1 and who completed the year of study.

3. The Rector's scholarship is awarded to a student enrolled for the first year of studies in the year of passing the secondary school leaving examination, who is:
 - a) a winner of an international competition or a winner or finalist of a competition at the central level, referred to in the regulations on the educational system;
 - b) a medal winner in at least a sports competition for the title of Polish Champion in a given sport as referred to in the sports regulations.
4. A student referred to in par. 3, together with the application for the Rector's scholarship, submits a certificate confirming the title of laureate, finalist or medalist and a copy of the secondary school leaving certificate.
5. The types of achievements, the point values assigned to them and the method of documenting the achievements are defined in Attachment 10 to the Regulations. A given achievement can only be scored once.
6. The Student's achievements listed in the application for the Rector's scholarship must be confirmed by the signature of the appropriate person:
 - a) the average grade for the previous academic year is confirmed by an employee of the relevant Dean's Office,
 - b) scientific achievements are confirmed by the Supervisors of Scientific Clubs,
 - c) sports achievements are confirmed by the President of the University Club, Academic Sports Association or the AZS Supervisor,
 - d) individual artistic achievements are confirmed by an employee of the Recruitment and Benefits Department,
 - e) group artistic achievements are confirmed by the group leader/guardian,
 - f) the place won in the Scapula Aurea, Wielka Synapsa and Superhelis competitions and in the paramedic competitions is confirmed by the appropriate Head of the Department,
 - g) the place won in the medical simulation competition is confirmed by the Head of the appropriate Medical Simulation Center,
 - h) students of the first year of second-cycle studies who graduated from a university other than SUM provide certificates of average grades and achievements obtained in the last year of first-cycle studies from the completed university, confirmed by the authorities of this university.
7. The student is obliged to attach to the application for the Rector's scholarship documents confirming the achievements obtained, in accordance with Attachment 10 to the Regulations.
8. Achievements listed in the application for the Rector's scholarship that have not been documented and are not confirmed by the signature of the appropriate person in accordance with par. 6, will not be scored.
9. Among the students of each field of study who meet the criteria specified in par. 1 and 2, taking into account § 16 par. 2, a ranking list is created.
10. The ranking list is prepared for a given field and level of study, divided into years of study, for full-time and part-time students.
11. The ranking list is an informative list and does not constitute a final decision.
12. If students obtain the same number of points, the average grade determines their place on the ranking list.
13. If, after determining the number of students of a given field and year of study who can receive the Rector's Scholarship, there are more applicants on the ranking list with the same average grade, the inclusion of which would result in exceeding the limit referred to in § 16 par. 1, none of these persons is entitled to receive the benefit.

§18

1. A specimen application for the Rector's scholarship is enclosed as Attachment 2 to the Regulations. A specimen application for the Rector's scholarship to first-year students is enclosed

as Attachment No. 2a to the Regulations.

2. If the final year of a first cycle degree program is one semester, the student in the application for the Rector's scholarship shows the achievements from the last semester of study.
3. A student in the first year of the second-cycle degree program shall attach to the application for scholarship a certificate of the grade point average obtained in the final year of the first-cycle degree program. This applies to students who completed their first-cycle degree program at another higher education institution.
4. A student who, in the previous academic year, was a student in another field of study at SUM or at another university, may be awarded the Rector's scholarship on the basis of the results obtained in the previous field of study or at the previous university, only if transferred without the obligation to make up for program differences.

§19

The Faculty Dean's Office shall be responsible for:

- 1) completion of the grade point average and its validation in the system of the Dean's Office
- 2) verification of the compatibility of the data of the submitted application with the data in the system of the Dean's Office and the POL-ON system,
- 3) checking that the declaration referred to in § 5 par. 15 is complete,
